Christy G. Montejo

Front-end Web Developer | UI/UX Designer

christymontejo2003@gmail.com | Cebu City, Philippines | christy-montejo.vercel.app | linkedin.com/in/christy-montejo-a54807221 | github.com/chrischiii21

SUMMARY

Front-end developer and UI/UX designer specializing in high-performance web applications built with Astro, React, and Tailwind CSS. Focused on sales-first design, creating digital experiences for trade-specific industries that prioritize lead generation and conversion optimization.

EXPERIENCE

Web Developer, N-Compass TV / NTV360 Jul 2026 – Present

Cebu City, Philippines

- Built web applications and high-conversion websites for company dealers, applying CRO-focused design to drive lead generation.
- Contributed franchise dashboard features to systematize and streamline the developer workflow.
- Maintained and extended web features across internal tools and client-facing platforms.

IT Intern (OJT), N-Compass TV / NTV360 Jan 2026 – May 2026

Cebu City, Philippines

- Designed UI/UX for internal tools and platform features.
- Developed comprehensive template galleries for various trades.
- Performed QA testing on showcase modules.

ESL Teacher, Happy Planet 2024 – 2025

Remote

- Conducted English language lessons for international students.
- Developed personalized communication strategies.
